## About Us

Welcome to Tuscany Trattoria, the restaurant that truly allows you to immerse in Italian culture right here in your backyard. Located in the heart of San Luis Obispo, we introduce the first of its kind, an Italian restaurant that also doubles as a vineyard. With on-site cooking classes available daily, our customers are sure to indulge in some of the finest pasta San Luis Obispo has to offer. Tuscany Trattoria offers some of Italy and San Luis Obispo's finest wines. Our cooking classes allow you to truly step out of the San Luis Obispo lifestyle for a moment and emerge right into Italy's wine country. A small lake will also add to the excitement of this new restaurant. Guests can feel free to take boat rides utilizing our paddle boats. On property there will also be live music and bocce ball for people to enjoy.

Another thing that makes Tuscany Trattoria stand out is how casual this restaurant is. We have options for customers to order picnic baskets which include wine, cheese, and bread. This can be taken anywhere on property. Tuscany Trattoria is truly one of a kind and we are excited to welcome it to San Luis Obispo.
